Those Fashions
 Reports from the fashionable centers is to the effect that the ultra-fashionable dresses for women this year are unholy frights, ugly as they can be. This is true, judging from the advance likenesses of these to be seen in the fashion books but they will have to go some if they get any the best of the new green hats the men are wearing with the high crowns with just a suggestion of a crush therein. These hats are the great levellers of making—every man that wears one look like a dub.

You judge a man not by what he promises to do, but by what he has done. That is the only true test. Chamberlain's Cough Remedy judged by this standard has no superior. People everywhere speak of it in the highest terms of praise. For sale by all dealers.

No little city in the west can boast of 3 nicer cream and soda water stands than "us." To be carbonized and curdled or hiked to the mecca of the thirsty (Moberly) and get dry-eyed, that is the question. Whether it is better to suffer thru long hot days for weeks and save the nics wherewith to reach the oasis in this local option desert, or hourly drench the inner man with gaseous decoctions and cool the spleen with cream not made from cows milk, puzzles the will. Even foam no longer surmounts a soda nor froth perch enticingly on the cone—even the suggestion of temptation removed. Porous plaster goodness—hyperdermic perfection. "Is dis heah eben, an am I heah?"

Tried to Flip Train
 A young man old enough to know better, tried to flip a train at the Keytesville station last week and was nearly killed as a result. He had seen men skilled in the art of getting on moving trains and thought he would try it. He did. He lacked all the finesse of the men who make a business of lifting themselves aboard the moving cars and when he grabbed the moving car he let loose suddenly and rolled along the platform. The on-lookers expected every moment to see him rolled under the cars and killed. It was what is known as a narrow escape.

whom are unknown to the plaintiff, and he is therefore unable to insert their names therein and that said unknown defendants have obtained and derived whatever claim, title, interest or estate they have in or to said real estate as the heirs, consorts, widows, widowers, devises, donees, alienees or immediate, mesne or remote, voluntary or involuntary grantees of said deceased persons.
 That the said deceased persons, so far as the plaintiff is able to allege, acquired their respective interests in said real estate in the manner following, to-wit: William Stokes by deed from John Stinsen, dated July 7, 1819, recorded in Book D, at page 272; Ann Stokes by devise from said William Stokes under his last will and testament dated September 1, 1823, admitted to probate in the County of St. Louis, State of Missouri, about the year 1823, and recorded in the recorder's office of Chariton County, Missouri, in Book 1, at page 146; Joseph R. McAllister by deed from Peter T. Abell, dated January 3, 1854, recorded in said recorder's office in Book 11, at page 199; Mace C. Spencer by patent from the United States Government, dated August 10, 1841, and by deed from James Keyte and wife, dated November 5, 1836, recorded in said recorder's office in Book D, at page 535; Ann B. D. Nowlin, Susan W. Conwell, Thomas H. Spencer, Maria E. Terrill, Julia E. Caples, Mary W. Crawley, Benjamin D. Spencer, Martha C. Spencer, Charles W. Spencer, and Samuel W. Spencer by inheritance and devise from the said Mace C. Spencer, who died in Chariton County, Missouri, about the year 1850, and whose last will and testament is of record in the recorder's office of said County in Book M, at page 97; James L. Vaught by deed from John M. Davis and wife, dated January 21, 1870, recorded in said recorder's office in Book 10 at page 194; George Ashby by patents from the United States Government, dated July 30, 1833, and June 15, 1836; James Allen by deed from George Ashby and wife, dated June 16, 1868, recorded in said recorder's office in Book 5 at page 395; and by deed of trust from James L. Vaught and wife, dated October 11, 1869, recorded in said recorder's office in Book M, at page 476; Cyrus T. Kimmel by deed from John Knappenberger, trustee under a deed of trust given by James L. Vaught and wife, which said trustee's deed is dated February 12, 1881, and recorded in said recorder's office in Book 25, at page 457; Mattie A. Kimmel as the widow or as the devise of the said Cyrus T. Kimmel; William Allega by deed from Mace C. Spence, dated February 11, 1850, recorded in said recorder's office in Book M, at page 222; and John Allega by deed from Jesse Ashby and wife, dated May 14, 1838, recorded in said recorder's office in Book E, at page 558.
 That the interests of the defendants in and to said real estate are mere apparent interests, without any substantial character, that said deed of trust has long since been paid off, and that the interests of all the defendants have long since been barred by limitation, and that the apparent interests of the defendants serve only to cast a cloud upon the plaintiff's title, which he is entitled to have removed. That the plaintiff has given therein a full, correct and complete recital and description of the interests of all the defendants in said real estate and how derived so far as known to him.
 It is thereupon ordered by the undersigned Clerk aforesaid, in vacation, that the said non-resident and unknown defendants be notified that an action has been commenced against them in the Circuit Court of Chariton County, in the State of Missouri, for the purpose of trying, determining, settling, defining and quieting the title to the above described real estate, and by which said action plaintiff seeks to forever bar and preclude said defendants, and each of them, from setting up any interest or claim in or to said real estate adversely to said plaintiff, and which said action is returnable to and tryable on the first day of the next regular term of this court, to be holden at the court house in the City of Keytesville, in the County of Chariton, in the State of Missouri, on the 5th day of May 1913, at which time and place said defendants are required and commanded to be and appear and to plead, answer or demur to plaintiff's said petition, otherwise the allegations contained in said petition will be taken and considered as confessed and judgment rendered according to the prayer thereof, forever barring and precluding said defendants from hereafter setting up any claim or title to said real property.
 It is further ordered that a copy of this order be published in the Chariton Courier, a weekly newspaper published in Chariton County, Missouri, published once a week for and during four (4) weeks successively, the last insertion to be at least fifteen (15) days before the first day of the next regular term of Court.
